August 5, 2011 – Adam Systems, a leading provider of Dealer Management Solutions to automotive and powersports retailers throughout the US and the Caribbean Basin, has announced expanded service hours to better serve their customers.

Beginning August 6, 2011 Adam System’s customer service professionals will be available on Saturdays. Customers now have access to Adam System’s customer service professionals by telephone, e-mail, or via the Adam self-service case system from 7:00 a.m. to 7:00 p.m. CST Monday thru Friday and 7:00 a.m. to 11:00 a.m. CST on Saturday.

“Our customers have asked for expanded service hours and we have responded. With the extended service hours during the week and now Saturday support we continue to demonstrate our eagerness to deliver first-class support to our customers.” – Mike Riley, Vice President
