August 15, 2011 – Adam Systems, a leading provider of Dealer Management Solutions to automotive and powersports retailers throughout the US and the Caribbean Basin, is happy to announce an introductory special on our new ETAPS offering.

What is ETAPS? ETAPS stands for “Electronic Title Application Processing System”. We currently have ETAPS available in 14 states. ETAPS assists in managing titles electronically, replacing paper titles submissions with an electronic format. ETAPS saves you time by eliminating the need to manage paper titles, ensuring security, proper handling, and accuracy of your title filings.

Sign up by October 1st, 2011 to receive:

- **50% OFF** the one time set-up fee of \$795
- First months maintenance fee **WAIVED!**
